STEWARDSHIP MOMENT

"I say to you, this poor widow put in more than all the other contributors to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living." (MARK 12:43-44)

Jesus gets right to the point – we are all called to give money to support the mission of the Church, regardless of our circumstance. No gift is too small or insignificant! Giving money to support the mission of our local parish is a matter of our faith, just like praying and participating in parish ministries. When you make a financial offering, is it from your “first fruits” or from what is “left over?”

**Sts. Anne & Joachim's Rosary Group** meets every Friday after the noon Mass in the Magnificat Chapel. All are welcome to join us in praying for our country and for our children and grandchildren. There will be coffee and conversation afterwards in the breakfast nook (near the front entrance to the main church). If you any questions, contact Sheila McDonald at 701-282-9487 or [sheilaamcdonald@gmail.com](mailto:sheilaamcdonald@gmail.com).

The Rosary is also prayed before the morning Masses Monday through Saturday. **All are welcome.**

**31 CLUB** — *What is it?* In the "31 Club" the prayers are first and foremost the offering of one daily Mass a month for vocations, on the day of the month that you chose. *What a beautiful offering!* Of course that means that every single day in our parish there is someone offering up his/her daily Mass to our God for those vocations. If interested, call Barb Olson at 701-238-7924.

Continuing my series of practical tips to sing out of the new hymnal, let's talk about how to sing things that look like this:

For those who do read music, you see there is no time signature, and no stems (small vertical lines) attached to the notes. For those who don't read music, perhaps all you see are words with some lines and circles above. Fear not! In either case, the organ (or piano) will demonstrate the refrain once before the cantor demonstrates a second time, and then we bring in the congregation! When the introduction is occurring, use **Tip #1**: look at the circles that we call 'music notes.' Then, add **Tip #2**: When the notes go up on the page, your voice goes up, when the notes go down, your voice goes down. Most of the population overthinks the process of reading music—especially for our purposes at church, where the music can be demonstrated and you never have to sing alone, all you need is a general sense of timing, and a reference to how high or low to sing. That's exactly what you see here! We'll build on this more next week.
