CATECHESIS IN THE DOMESTIC CHURCH

St. Francis of Assisi: A Man in Love with God

Sarah Bofferding, Director of Catechesis

October 4th is the feast of St. Francis of Assisi! This year, the liturgical celebration of his feast is superseded by the 27th Sunday in Ordinary Time, but that doesn't mean we can't still celebrate and remember this great saint! St. Francis may be one of the most misrepresented saints, with misattributed quotes and caricatures of him abounding. What is most striking about Francis is that he was, first and foremost, **a man in love with God.**

Francis loved all of creation, and this love flowed from his love for the Creator. His whole life was transformed by his encounter with Jesus. He gave up wealth and comfort to follow Christ, embraced poverty, served the poor, preached the Gospel, and eventually received the wounds of Christ in the stigmata.

To celebrate Francis' Feast: spend a few minutes praying before a San Damiano Crucifix, choose a corporal work of mercy to do as a family, and bring your pet to be blessed!

St. Francis of Assisi, pray for us!

McCHOIR'S MUSIC CORNER

Thanks In All Things

Patrick McGuire, Director of Music

Most of us know **"Now Thank We All Our God"** pretty well—it's a generally well-known hymn across many denominations.

The story behind its writing is probably not what you might expect: Martin Rinkart was a Lutheran pastor in Saxony, who was ministering in the midst of the Thirty Years' War in Germany during the 17th century. His town of Eilenberg was filled with refugees escaping the Swedish army who lurked outside the gates. Over the course of many days, the people began to succumb to sickness, injury, and plague. Eventually, all the pastors in the city except for Rinkart had died, which left him with the responsibility of caring for the entirety of the city's Christian population. It was reported that on many days he presided over more than 50 funerals! The Swedish commanders outside the walls demanded a ransom to be paid, and Rinkart was the negotiator sent to discuss terms with the military leaders. He bravely advocated for his community, leading to a cessation of all hostilities.

It was then, in the aftermath of incredible suffering and exhaustion for those who survived, that Rinkart composed this hymn of thanks to God: *"Now thank we all our God, with heart and hand and voices..."* I find it fascinating that this triumphant hymn of praise and thanksgiving was written in the midst of such sorrowful pain. It is a testament to the faith of Mr. Rinkart, and perhaps a special grace from God that this hymn has become so well-known and sung across all of Christianity!
