PARISH MISSION-JACKIE & BOBBY ANGEL

Peter O'Donnell, Director of Marriage and Family

Join us for our Parish Mission featuring Jackie and Bobby Angel, nationally known Catholic speakers, authors, and presenters on Ascension Presents. As a married couple and parents of five, they bring a joyful, practical, and faith-filled perspective to living out God's plan for marriage, family, and personal holiness.

Jackie is a singer-songwriter, author, and worship leader who has ministered around the world, while Bobby is a former teacher, campus minister, and Catholic mentor who is passionate about helping others encounter Christ and discover their God-given identity.

The two-night talks begin with the presentation ***"Marriage and Dating: Love, Purpose, and God's Perfect Plan"***. Jackie and Bobby will explore God's design for relationships and offer practical insights for both those in relationships as well as seeking relationships. The following evening they will present ***"Addressing Your Wounds: Healing the Heart, Letting Jesus Restore Your Identity in Him."*** This powerful evening will focus on emotional and spiritual healing, helping participants encounter Christ's restorative love and discover their true identity as beloved children of God.

Sunday, October 18 - 5:00–6:00 PM: "Marriage and Dating: Love, Purpose, and God's Perfect Plan"

Monday, October 19 - 6:30–7:30 PM: "Addressing Your Wounds: Healing the Heart, Letting Jesus Restore Your Identity in Him."

All parishioners are encouraged to attend!

McCHOIR'S MUSIC CORNER

A Hymn for Him, Her, and Everybody

Patrick McGuire, Director of Music

I am quite fond of the tune for today's opening hymn: WAREHAM. Not only is it a pleasant melody that is reminiscent of common folk songs, it is one of the smartest hymns I have come across for encouraging outward participation.

When I say, '**smartest,**' I mean that the music is constructed in a singable way, so that it is easy for anyone to pick it up and sing along. Not only is it an easy melody, but it is an enjoyable and musical melody that has a clear rise and fall in each phrase that supports tempo and timing when you need to take a breath. Most melodies require some larger intervals to navigate, where you go from one note on the staff up four or five note spaces on the staff.

In this melody, besides one leap of a fourth (up four notes), there is only stepwise motion: every note is one space away from the previous note, and one step away from the note that comes after it. This form of musical writing is tailor-made for congregational singing, and a hallmark of the metrical hymn genre!
