Event Type Clarification

Business/Non-Profit: Any club, organization, or business that does not have a direct affiliation with Sts. Anne & Joachim. Affiliation with the parish or Diocese of Fargo is not determined by the number of group members who are parishioners.

Personal Event: Any event where the primary purpose is not a religious gathering. Common examples include but are not limited to the following: wedding receptions, baptism celebrations, family gatherings, birthday parties, and bridal showers.

Religious Meeting or Parish Group: Any gathering for liturgical, devotional, or other religious purposes, including Bible studies and faith-sharing activities. The determination of whether an event qualifies as a Religious Meeting will be made by the Pastor.
